

**NOTICE OF
OPPORTUNITY FOR PUBLIC COMMENT RELATED TO
PASSENGER FACILITY CHARGE**

The Greater Rochester International Airport (ROC) is providing an opportunity for public comment until May 15, 2014 related to the proposed amendment to our Passenger Facility Charge (PFC) Application #3 for the greater Rochester International Airport.

Monroe County received approval from the FAA to "impose and use" PFCs for five projects at the Greater Rochester International Airport on June 30, 2004. The approved collection amount for these projects was \$40,310,360. This PFC Application #3 is the subject of this notice of a proposed amendment prior to closeout.

Monroe County is proposing to decrease the total amount of PFC's to be collected on these projects from the current approved amount of \$40,310,360 to \$29,178,264. All the projects in this application are now complete. We have updated project costs on these completed projects based on actual costs. Attached is a revised PFC project Spreadsheet titled "*PFC Application Amendment Funding Summary Table*" with updated project costs and funding sources. The Terminal Modification for Baggage Screening project bids came in less than budgeted resulting in less PFC funds being needed. Additionally, both Project 03-003 Taxiway A Construction and Project 03-004 Terminal Improvements did not need to be financed. These two projects were funded with "Pay-As-You-Go" PFCs with no debt financing & interest funding used as originally approved.

Due to the change in the PFC method of funding from debt financing to "Pay-As-You-Go", the FAA requires the Monroe County Airport Authority to seek public comment on the above mentioned changes to this PFC Application.

Comments or a request for more detailed project information should be sent to Michael Giardino, Director of Aviation, Greater Rochester International Airport, 1200 Brooks Avenue, Rochester, New York 14624.

PFC Application Amendment Funding Summary

Public Agency: County of Monroe, New York
 Use Airport(s): Greater Rochester International Airport
 Application No: 04-03-C-00-ROC
 Date: 12/20/2013

Approved Funding

Project No.	Project Number/Title	AIP	PFC			Other		Total		Grand Total	
			Pay-as-you-go	Bond Capital	Fin. & Int.	Total	Capital	Fin. & Int.	Capital		Fin. & Int.
03-001	Aircraft Rescue & Firefighting Equipment		\$ 800,000	\$ -	\$ -	\$ 800,000	\$ -	\$ -	\$ 800,000	\$ -	\$ 800,000
