Visual Aids

Could your child benefit from a visual aid?

Visual aids are an effective learning tool that can be used with any child to teach skills and change behaviors. Visual aids are commonly used to address :

- Potty Training
- Bedtime
- Transitions

.....AND many other situations that require skill improvement.

Create & Take

Stepping Stones Learning Center is offering a three part parent training series focusing on visual aids. During the training you will have an opportunity to create a visual aid for your child that targets a challenging behavior. Instructors will teach you how to effectively utilize the visual aid at home. Implementation difficulties will be addressed and modifications will be made. At the end of the series you and your family will have an effective tool to use with your child!

3 Part Series to be held on Thursdays

Each session will be from 5:30pm to 7pm at Stepping Stones Learning Center
February 7th: Visual Aid Overview
Identify Difficulty
February 14th: Create Visual Aid
Practice using visual
February 28th: Discuss Experience

Workshop presenters will be behavior consultants:

Melissa Eggert and Erin Bezek

Registration Fee: \$25 for all 3 sessions per two-person family (mom and dad, grandma and grandpa, etc.).
