

Western Finger Lakes ReLeaf 2015 Urban Forestry Workshop

This is a hands-on workshop for professional arborists, landscapers, municipal staff, foresters and tree enthusiasts. The workshop will include a walking tour of Highland Park featuring tree and shrub identification facts and characteristics, visits to champion trees/big trees, individual tree provenance and an indoor segment on twig identification. A winter twig ID book valued at \$6 is included with your registration.

This workshop is sponsored by Monroe County Parks, Western Finger Lakes ReLeaf and NYSDEC Urban Forestry.

Analyzing, Monitoring and Protecting New York State's Urban Forests

Mission of the NYS Urban Forestry Council

New York State's Urban Forestry Council is a partnership of public, private and volunteer organizations and individuals that fosters comprehensive planning, management and education throughout New York to create a healthy urban and community forest, and to enhance quality of life.

Western Finger Lakes ReLeaf is part of a statewide program managed by the New York State Department of Environmental Conservation, Bureau of Private Land Services. Funding is provided by the Urban and Community Forestry Program. Volunteer members of Western Finger Lakes ReLeaf include interested citizens, forestry professionals, green non-profit representatives and government officials.

Location

Olmstead Lodge - 171 Reservoir Ave., Highland Park, Rochester NY. The Olmsted Lodge is located at the front of the Parks Office Building, across the street from the Lamberton Conservatory. Parking is available on street and behind the building.
