Dear Friends:

Monroe County remains fully committed to keeping our roads safe for travelers and families through aggressive DWI enforcement and prevention.

Together, the Monroe County Public Safety Department, Office of Probation, and STOP-DWI collaborate with the Sheriff's Office and other law enforcement agencies to discourage anyone from driving while intoxicated.

In 2013, local law enforcement agencies made 2,701 arrests due to drunk driving and driving under the influence of other substances. These arrests are a true testament to our community's commitment to combating DWI. Each and every arrest makes our roadways a little safer.

The pain and anguish that DWI victims can suffer lasts a lifetime. Through the Monroe County Victims Resource Center, victims are able to seek the assistance and support they need to help cope with tragedy. Additionally, the County's STOP-DWI Education Program remains an effective tool in the prevention and education of the harmful impacts caused by driving while intoxicated.

Despite all of our progress, it is important to always remember that every person with a driver's license has the opportunity to make this community a safer and better place by choosing not to drink and drive.

Sincerely,

A handwritten signature in black ink that reads "Maggie Brooks". The signature is written in a cursive, flowing style.

MONROE COUNTY STOP-DWI Program

2013 OVERVIEW

Since 1982, the Monroe County STOP-DWI Program has served to educate the community regarding the dangers of impaired driving and provide funding to groups and organizations engaged in activities related to alcohol and other drug-related traffic safety. STOP-DWI is supported 100% by local fines & fee's collected from intoxicated drivers.

Monroe County STOP-DWI offers:

- Free anti-DWI programs including speakers and videos
- High school mini-grants to assist with alcohol & other drug-free events
- An annual high school STOP-DWI video contest
- Handouts and printed material
- DWI displays

Monroe County STOP-DWI supports the efforts of:

- Rochester Against Intoxicated Driving (RAID)
- Mothers Against Drunk Driving (MADD)
- Students Against Destructive Decisions (SADD)
- Finger Lakes Collegiate Task Force
- Monroe County / City of Rochester Coalition for Crime Victims
- Monroe County Office of Traffic Safety
- Parents Who Host Lose the Most
- The Seven Town Alliance
- Western New York Coalition for Crime Victims

Monroe County STOP-DWI provides funding to:

- Monroe County law enforcement agencies
- Monroe County Office of Probation and Community Corrections
- Monroe County District Attorney's Office
- Pre-Trial Services Felony DWI Diversion Program and Day Reporting Center

This 2013 report summarizes information regarding the daily efforts of the STOP-DWI Program and centralizes vital statistical data relating to the state of DWI in Monroe County.

Please call the STOP-DWI Office at (585) 753-3011 if you would like additional information.

2013 PUBLIC INFORMATION AND EDUCATION

Displays: All STOP-DWI displays are comprehensive traffic safety displays held in conjunction with the Monroe County Office of Traffic Safety. During 2013, displays were exhibited at area schools, shopping malls, industries, fairs and town halls where over 13,400 anti-DWI literature, traffic safety and novelties were distributed.

Exhibits: The exhibit entitled “One Second, Everything Changes” was unveiled on November 18, 2008. In 2013, the exhibit was displayed at Fairport, Rush-Henrietta, and Brockport High Schools reaching over 700 high schools students with a powerful message.

STOP-DWI Education Programs: During 2013, 63 programs were presented to 1,898 people exceeding 90% satisfaction rating.

High School Mini-Grants: During the spring of 2013, a total of \$4,750 was distributed among 19 high schools for their alcohol-free and other drug-free prom-time events.

High School Video Contest: The Monroe County STOP-DWI Program sponsored its third annual STOP-DWI High School anti-DWI DVD Contest. The first place winner was from Honeoye Falls/Lima High School, the second place winner was from Irondequoit High School and the third place winner from McQuaid Jesuit High School. The first place winner’s public service announcement was aired 82 times on WHAM-TV in late-November 2013.

Law Enforcement Conference: 2013 was the fourth annual full-day Law Enforcement Conference which took place on the same day as the STOP-DWI Law Enforcement Awards Luncheon. Approximately 50 officers from multiple Monroe County agencies attended and were trained regarding DWI/drugged driving, the role of probation in DWI cases, state paperwork, and a debriefing from a local ADA. The satisfaction level was very high from the officers. It was received very well from the agencies and officers. Thank you to all the agencies that pulled together to deliver an extremely successful Conference.

STOP-DWI Law Enforcement Awards Luncheon: 142 people attended the luncheon, co-sponsored by the Traffic Safety Board, was held at RIT Inn and Conference on March 6, 2013. Two departments received awards for their increased percentage of DWI arrests—Fairport Police Department and Greece Police Department. The STOP-DWI “Top Cop” Award went to Officer Albert Weech, RPD. Twenty-nine individual officers were chosen by their departments to receive awards for their outstanding efforts to combat the problem of DWI.

Victim Impact Panel Appreciation Dinner: Sixty-seven people attended the STOP-DWI hosted a VIP volunteer dinner at Rick’s Prime Rib House on November 19, 2013. The gratitude offered to volunteers for their support and willingness to share their

personal experiences is grossly understated and cannot be expressed to a satisfactory level.

“Lights on for Life” Motorcade: The annual motorcade was held Saturday, December 7, 2013 with over 30 Law Enforcement vehicles, fire trucks, ambulances, a hearse, and community members participating. Rochester Against Intoxicated Driving (RAID) co-sponsored the event and donated refreshments for the attendees.

Media: The STOP-DWI Program participated in a variety of media coverage during 2013 such as the Law Enforcement Luncheon, Victim’s Rights Week-Walk, High School Video Contest, Crackdown Weekends Press Releases, and the “One Second, Everything Changes” exhibit. This program appreciates the support the media has given in delivering our important message to drive safe and sober. Some of the coverage of events listed below:

Interviews:	March 25	Crackdown Weekend - Channel 8 (Ashley Silka)
	April 18	Crime Victims’ Rights Week
	May 31	High School DVD
	December 7	“Lights on for Life” Motorcade-YNN and WXXI

November/December DWI Awareness Campaign: One-hundred seven DWI awareness commercials were aired on WHEC-TV, three-hundred ten radio broadcast commercials were aired on Clear Channel stations and six billboards were developed and posted by Lamar. Feedback was very good from the public.

DWI VICTIM IMPACT PANEL

The Monroe County DWI Victim Impact Panel (VIP) consists of three or four DWI victims who address an audience of DWI offenders about the impaired driving crashes in which they experienced injury or a loved one was killed. A law enforcement officer may also serve as a panelist alongside the victims. The goal of the Panel is to deliver a message to raise awareness of the ripple effect of impaired driving; therefore, to save lives. This does not replace conventional sentencing, but supplements it. The VIP is self-sufficient through fees collected. In 2013, the \$41,799 collected in fees was allocated to the VIP Victim Advocate, Victim Honorarium, Probation, Law Enforcement, equipment, and other expenses.

The first DWI Victim Impact Panel was held in Monroe County in January 1992. The Panel is offered as a sentencing tool for all DWAI and DWI offenders.

DWI VICTIM IMPACT PANEL (VIP) VICTIM ADVOCACY PROGRAM

The Victim Advocate:

- Provides support and counseling services to DWI VIP speakers
- Provides outreach to DWI victims and informs them of resources available in the community
- Coordinate speakers for the VIP panel
- Provide on-site counseling support to victim speakers

In 2013, the VIP Advocate attended eight panels, providing 24 hours of support, and debriefing to 20 victims of DWI. The VIP Advocate met with county coordinator and provided assistance in program events. One hundred eight hours were spent in administration, coordination of speakers and outreach to potential speakers.

LAW ENFORCEMENT

In 2013, Monroe County DWI/DWAI arrests totaled 2,701 which is an increase from the 2,635 arrests made in 2012.

Monroe County Law Enforcement Agencies received a sum of \$403,232 from the STOP-DWI Program in 2013 for use in their DWI enhancement enforcement efforts.

Monroe County STOP-DWI Program received a \$136,496 for Crackdown Weekends grant from NYS STOP-DWI Foundation which is a passthrough grant from the NYS Governor Traffic Safety Committee (GTSC) awarded from the National Highway Traffic Safety Administration (NHTSA). Monroe County received funding which involved Crackdowns during Super Bowl Sunday, St. Patrick's Day, Memorial Day, 4th of July, Labor Day, Halloween, Thanksgiving and the Holiday season..

According to New York State Law, an individual is Driving While Ability Impaired (DWAI) if his/her blood alcohol concentration (BAC) is between .05 and .07. He/she is considered Driving While Intoxicated (DWI) if their BAC is .08 or higher. He/she is considered Aggravated DWI if BAC is .18 or higher. He/she is considered Driving While Ability Impaired by Drugs (DWAI-D) if the driver is impaired by drugs.

MONROE COUNTY DWI ARRESTS 2004-2013

OFFICE OF PROBATION AND COMMUNITY CORRECTIONS

The Monroe County Office of Probation and Community Corrections received \$115,978 from STOP-DWI in 2013. These funds supported the services of the DWI Felony and DWI Evening Units. During 2013, these units supervised 800 offenders.

The DWI Felony Unit is comprised of five Probation Officers and one Senior Probation Officer. Additionally in 2013, a DWI Evening team comprised of two Probation Officers and one Senior Probation Officer monitored high risk felony and misdemeanor DWI cases. Probation Officers assigned to these teams maintain specialized caseloads in order to provide enhanced supervision. This includes surveillance, unscheduled field visits, close monitoring of treatment progress, more frequent contact with probationers and family members, and increased Alco-sensor testing and urine screening. The DWI Evening team also responds to police requests for assistance when it involves probationers.

Overall, the Office of Probation supervised a total of 1,810 DWI offenders during 2013 which included 1,010 misdemeanor DWI offenders. As of March 31, 2014, this Office monitored a total of 426 offenders that were using Ignition Interlock Devices (169 probationers and 257 conditional discharge offenders).

Further, this Office supervised six Vehicular Assault offenders, two Vehicular Manslaughter offenders, and 152 Aggravated Unlicensed Operator offenders.

In 2013 the Office of Probation collected a total of \$455,100 in DWI fines.

Surveillance

Probation Officers frequently conduct surveillance on DWI offenders to ensure compliance with the conditions of probation. DWI Surveillance details are assembled to target offenders deemed at risk for repeated offenses. The details were conducted with the goal of enforcing conditions of probation prohibiting unlicensed operation of a motor vehicle and the consumption of alcohol. In 2013, 9 DWI Surveillance Details conducted surveillance on 330 offenders. During these details, 24 offenders were found to be in violation of their order and conditions of probation.

During office visits, Probation Officers conduct walking surveillances of probationers to see if they have driven to the building. Probationers are monitored at their homes, jobs, and other locations in the community during the day and night, weekdays, and weekends.

Random Alco-sensor tests are routinely conducted during office and home visits on all probationers but especially those deemed to be a risk for potential alcohol abuse. Alco-sensor tests enable officers to confirm the absence or presence of alcohol and, if appropriate, to quickly intervene through either a Violation of Probation and/or suitable treatment alternatives. Urine-screen tests are also conducted in the office to detect the use of marijuana, cocaine, amphetamines, and morphine-based drugs. Early detection and expedient intervention further protects the community and enhances public safety.

The Office of Probation and Community Corrections is committed to continuing surveillance of high-risk probationers convicted of DWI offenses. The Office remains highly motivated to pursue the mission of ensuring public safety through vigorous supervision of sentenced offenders, particularly those sentenced to probation for DWI offenses.

DISTRICT ATTORNEY'S OFFICE

The Monroe County District Attorney's Office was provided with \$115,978 in 2013 by the STOP-DWI Program for the prosecution services of DWI Assistant District Attorneys.

PRE-TRIAL SERVICES CORPORATION

PRE-TRIAL FELONY DWI DIVERSION

Felony DWI Diversion is a deferred prosecution program whereby all criminal proceedings are delayed while the client engages in a planned treatment program. The client is monitored in the treatment program over a six to eight-month period. Participation is voluntary and clients must agree to immediately surrender their driver's license upon entering the program and pay a program fee, if financially able. Clients are screened through the District Attorney's DWI Bureau before referral to the Diversion program.

Successful completion of Felony DWI Diversion is based on the client's ability to demonstrate significant attitudinal and behavioral change, and results in an offer to plead to a misdemeanor in satisfaction of the felony charge. If the client fails to follow through on the treatment plan and the Diversion contract requirements, the case is returned to court for prosecution. Diversion is offered only once.

Pre-Trial Felony DWI Diversion received \$54,037 in STOP-DWI funds in 2013. One hundred-Seventy Five cases were seen for intake in 2013. 146 cases or 86% of all terminations were closed successfully in the year.

Pre-Trial Services is committed to providing effective intervention with multiple DWI offenders and will continue to measure the long-term outcomes for the Felony DWI Diversion Program.

WEEKEND DWI SENTENCE PROGRAM AT PRE-TRIAL SERVICES

Structured to provide a sentencing option for those convicted of DWI, the Weekend Sentence program offers an intervention-focused approach. Those sentenced to this program attend structured classes from Friday night through Sunday afternoon, addressing important issues such as alcohol abuse, personal responsibility and reducing risk-taking behaviors. Judges sentence offenders for a specific number of weekends. Clients are required to pay fees to help support the program. Both attendance and client progress are monitored closely by the staff and reported back to the court.

During 2013, 95 clients were sentenced to the program. Of those who completed within the year, 89% did so successfully. The average number of weekends spent in the program was eight.

STOP-DWI funds supplied \$104,896 to support this sentencing option in 2013.

Licensed Drivers and Drivers Involved in Fatal and Personal Injury Crashes
by Age Group**

Note: In interpreting these data, any age group with a greater percentage of drivers involved in fatal and personal injury crashes than licensed drivers indicates that the drivers in that age group are overrepresented in fatal and personal injury crashes. 184 drivers in fatal and personal injury crashes were excluded due to unknown age.
