The 2014 Monroe County STOP-DWI Annual Report is dedicated
to the following DWI victims who volunteer
to serve on the Monroe County DWI Victim Impact Panel:

Lorie Brown
Jane Butera
John Chirinko
Mary Elkins
Ruth Gates
Don Halstead
Chris Humphrey
Bruce Lockhart
Lindsay Merritt
Sue Merritt
Debbie Moyer
Jacqueline Moyer
Pete Navratil
Sarah Palermo
Mark Philippy
Carol Preston
Justin A. Randall, Jr.
Henry Rivera
Nilia Rohatsch
Tom Schamerhorn
Phil Schultz
Robin Scott
Bary Siegel

We would like to thank you for your continued dedication and support.

Office of the County Executive

Monroe County, New York

Maggie Brooks
County Executive

Dear Friends:

Monroe County remains fully committed to keeping our roads safe for travelers and families through aggressive DWI enforcement and prevention.

Together, the Monroe County Public Safety Department, Office of Probation, and STOP-DWI collaborate with the Sheriff's Office and other law enforcement agencies to discourage anyone from driving while intoxicated.

In 2014, local law enforcement agencies made 2,771 arrests due to drunk driving and driving under the influence of other substances. These arrests are a true testament to our community's commitment to combating DWI. Each and every arrest makes our roadways a little safer.

The pain and anguish that DWI victims can suffer lasts a lifetime. Through the Monroe County Victims Resource Center, victims are able to seek the assistance and support they need to help cope with tragedy. Additionally, the County's STOP-DWI Education Program remains an effective tool in the prevention and education of the harmful impacts caused by driving while intoxicated.

Despite all of our progress, it is important to always remember that every person with a driver's license has the opportunity to make this community a safer and better place by choosing not to drink and drive.

Sincerely,

A handwritten signature in black ink that reads "Maggie Brooks". The signature is written in a cursive, flowing style.

MONROE COUNTY STOP-DWI Program

2014 OVERVIEW

Since 1982, the Monroe County STOP-DWI Program has served to educate the community regarding the dangers of impaired driving and provide funding to groups and organizations engaged in activities related to alcohol and other drug-related traffic safety. STOP-DWI is supported 100% by local fines & fee's collected from intoxicated drivers.

Monroe County STOP-DWI offers:

- Free anti-DWI programs including speakers and videos
- High school mini-grants to assist with alcohol & other drug-free events
- An annual high school STOP-DWI video contest
- Handouts and printed material
- DWI displays

Monroe County STOP-DWI supports the efforts of:

- Rochester Against Intoxicated Driving (RAID)
- Mothers Against Drunk Driving (MADD)
- Students Against Destructive Decisions (SADD)
- Finger Lakes Collegiate Task Force
- Monroe County / City of Rochester Coalition for Crime Victims
- Monroe County Office of Traffic Safety
- Parents Who Host Lose the Most
- The Seven Town Alliance
- Western New York Coalition for Crime Victims

Monroe County STOP-DWI provides funding to:

- Monroe County Law Enforcement Agencies
- Monroe County Office of Probation and Community Corrections
- Monroe County District Attorney's Office
- Pre-Trial Services Felony DWI Diversion Program and Day Reporting Center

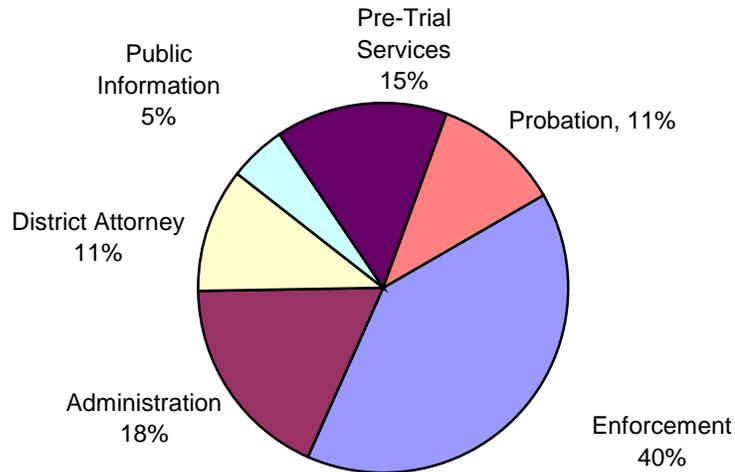

This 2014 report summarizes information regarding the daily efforts of the STOP-DWI Program and centralizes vital statistical data relating to the state of DWI in Monroe County.

Please call the STOP-DWI Office at (585) 753-3011 if you would like additional information.

STOP-DWI

2014 PUBLIC INFORMATION AND EDUCATION

Displays: All STOP-DWI displays are comprehensive traffic safety displays held in conjunction with the Monroe County Office of Traffic Safety. During 2014, displays were exhibited at area schools, shopping malls, industries, fairs, and town halls where over 11,400 anti-DWI literature, traffic safety, and novelties were distributed.

Exhibits: The exhibit entitled “Illicit Drugs” was unveiled on February 6, 2014 at Eastridge High School. The exhibit features the Henry Rivera and Pedro Hernandez story. In 2014, the exhibit was displayed at Eastridge, Pittsford-Mendon, and Pittsford-Sutherland High Schools reaching over 2,916 high schools students with a powerful message.

STOP-DWI Education Programs: During 2014, 79 programs were presented to 2,948 people exceeding 90% satisfaction rating.

High School Mini-Grants: During the spring of 2014, a total of \$5,000 was distributed among 20 high schools for their alcohol-free and other drug-free prom-time events.

High School Video Contest: The Monroe County STOP-DWI Program sponsored its third annual STOP-DWI High School anti-DWI DVD Contest. The first, second and third place winners were from Penfield High School, and one honorable mention from Irondequoit High School. The first place commercial was aired on Channel 13 WHAM, Fox, and CW Rochester 95 times to raise awareness within the community during November 2014.

Law Enforcement Conference: 2014 was the fifth annual full-day Law Enforcement Conference which took place on the same day as the STOP-DWI Law Enforcement Awards Luncheon. Approximately 60 officers from multiple Monroe County agencies attended and were trained regarding DWI/drugged driving, the role of Probation in DWI cases, state paperwork, and a debriefing from a local ADA. The satisfaction level was very high from the officers. It was received very well from the agencies and officers. Thank you to all agencies who pulled together to deliver an extremely successful conference.

STOP-DWI Law Enforcement Awards Luncheon: One-hundred-fifty-seven people attended the luncheon, co-sponsored by the Traffic Safety Board and the NYS STOP-DWI Foundation Inc., and was held at the Burgundy Basin Inn on February 26, 2014. Three departments received awards for their increased percentage of DWI arrests – Brockport Police Department, Webster Police, and the Rochester Police Department. The STOP-DWI “Top Cop” Award went to Officer Albert Weech, Rochester Police Department. Twenty-six individual officers were chosen by their departments to receive awards for their outstanding efforts to combat the problem of DWI.

Victim Impact Panel Appreciation Dinner: Seventy-four people attended the STOP-DWI-hosted VIP volunteer dinner at Rick's Prime Rib House on November 19, 2014. The gratitude offered to volunteers for their support and willingness to share their personal experiences is grossly understated and cannot be expressed to a satisfactory level.

“Lights on for Life” Motorcade: The annual motorcade was held Saturday, December 6, 2014 with over 30 law enforcement vehicles, fire trucks, ambulances, a hearse, and community members participating. Rochester Against Intoxicated Driving (RAID) co-sponsored the event and donated refreshments for the attendees.

Media: The STOP-DWI Program participated in a variety of media coverage during 2014 such as the Law Enforcement Luncheon, Victims' Rights Week Walk, High School Video Contest, Crackdown Weekends' Press Releases, and the “One Second, Everything Changes” exhibit. This program appreciates the support the media has given in delivering our important message to drive safe and sober. Some of the coverage of events listed below:

Interviews:	February 6	Unveiling Drugged Driving Exhibit
	April 3	Crime Victims' Rights Week Press Conference
	April 12	Crime Victims' Rights Week Walk
	May 29	High School Video Contest
	December 6	“Lights on for Life” Motorcade

November/December DWI Awareness Campaign: Two-hundred-ten DWI awareness commercials regarding the statewide “Have a Plan” app were aired on WHAM13, WHEC-TV, FOX31, and CW Rochester. Six-hundred-sixty-four commercials aired on Entercom Radio-98 FM WPXY, 98.9 FM WBZA, 95.7 FM ESPN, and 9.50 ESPN AM, and Lamar Advertising. Six billboards were developed and posted by Lamar. Feedback was very good from the public.

DWI VICTIM IMPACT PANEL

The Monroe County DWI Victim Impact Panel (VIP) consists of three or four DWI victims who address an audience of DWI offenders about the impaired driving crashes in which they experienced injury or a loved one was killed. A law enforcement officer may also serve as a panelist alongside the victims. The goal of the Panel is to deliver a message to raise awareness of the ripple effect of impaired driving; therefore, to save lives. This does not replace conventional sentencing, but supplements it. The VIP is self-sufficient through fees collected. The funds collected in fees were allocated to the VIP Victim Advocate, Victim Honorarium, Probation, Law Enforcement, equipment, and other expenses to support the program.

The first DWI Victim Impact Panel was held in Monroe County in January 1992. The Panel is offered as a sentencing tool for all DWAI and DWI offenders.

YEAR	2005	2006	2007	2008	2009	2010	2011	2012	2013	2014	Cumulative Total*

* Total is cumulative since 1992.

DWI VICTIM IMPACT PANEL (VIP) VICTIM ADVOCACY PROGRAM

The Victim Advocate:

- Provides support and counseling services to DWI VIP speakers
- Provides outreach to DWI victims and informs them of resources available in the community
- Coordinates and scheduled speakers
- Provides on-site counseling support to victim speakers

In 2014, the VIP Advocate attended eight panels, providing 68 hours of support and 82 hours of counseling to victims of DWI. The VIP Advocate met with the county coordinator and provided assistance in program events. One hundred twenty hours were spent in administration, coordination of speakers, and outreach to potential speakers.

LAW ENFORCEMENT

In 2014, Monroe County DWI/DWAI arrests totaled 2,771 which is an increase from the 2,701 arrests made in 2013.

Monroe County Law Enforcement Agencies received a sum of \$418,735 from the STOP-DWI Program in 2014 for use in their DWI enhancement enforcement efforts.

Monroe County STOP-DWI Program received a grant in the amount of \$135,663 for Crackdown Weekends from the NYS STOP-DWI Foundation which is a passthrough grant from the NYS Governor Traffic Safety Committee (GTSC) awarded from the National Highway Traffic Safety Administration (NHTSA). Monroe County received funding which involved Crackdowns during Super Bowl Sunday, St. Patrick's Day, Memorial Day, 4th of July, Labor Day, Halloween, Thanksgiving and the Holiday season.

According to New York State Law, an individual is Driving While Ability Impaired (DWAI) if his/her Blood Alcohol Concentration (BAC) is between .05 and .07. He/she is considered Driving While Intoxicated (DWI) if their BAC is .08 or higher. He/she is considered Aggravated DWI if BAC is .18 or higher. He/she is considered Driving While Ability Impaired by Drugs (DWAI-D) if the driver is impaired by drugs.

MONROE COUNTY DWI/DWAI-D ARRESTS 2004-2014

OFFICE OF PROBATION -- COMMUNITY CORRECTIONS

The Monroe County Office of Probation -- Community Corrections received \$106,417 from STOP-DWI in 2014. These funds supported the services of the DWI Felony and DWI Evening Units. During 2014, these units supervised 818 offenders.

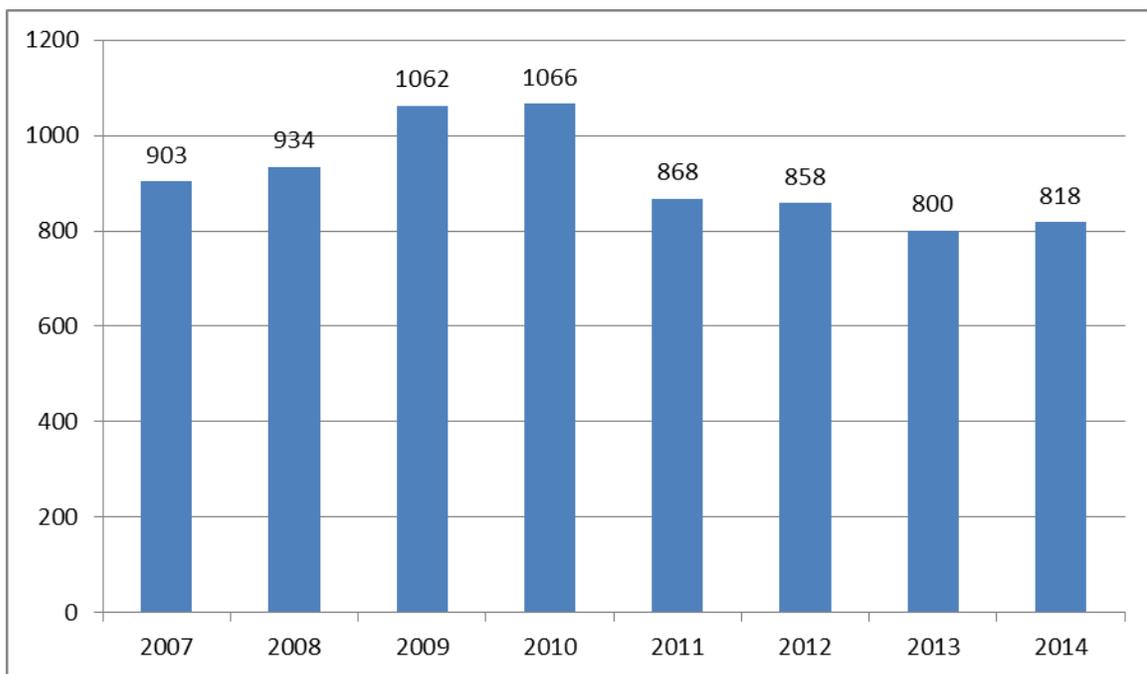

The DWI Felony Unit is comprised of five Probation Officers and one Senior Probation Officer. The DWI Evening Team is comprised of two Probation Officers and one Senior Probation Officer who receive high risk felony and misdemeanor DWI cases. Probation Officers assigned to these teams maintain specialized caseloads in order to provide enhanced supervision. This includes surveillance, unscheduled field visits, close monitoring of treatment progress, more frequent contact with probationers and family members, and increased Alco-sensor testing and urine screening. The DWI Evening Team also responds to police requests for assistance when it involves probationers.

Overall, the Office of Probation supervised a total of 1,847 DWI offenders during 2014 which included 1,039 misdemeanor DWI offenders. As of March 18, 2015, this Office monitored a total of 613 offenders that were using Ignition Interlock Devices (188 probationers and 425 conditional discharge offenders).

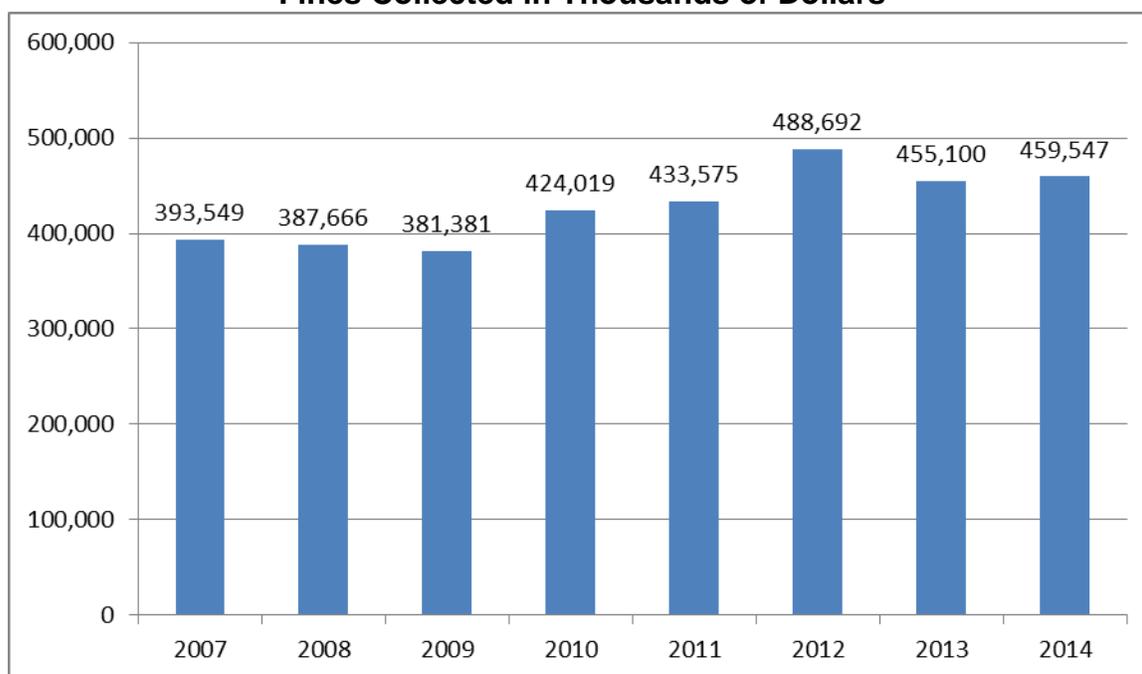

Further, this Office supervised 10 Vehicular Assault offenders, 2 Vehicular Manslaughter offenders, and 156 Aggravated Unlicensed Operator offenders.

In 2014 the Office of Probation collected a total of \$ 459,547.00 in DWI fines.

Offenders Supervised by Felony DWI Unit

Fines Collected in Thousands of Dollars

Surveillance

Probation Officers frequently conduct surveillance on DWI offenders to ensure compliance with the conditions of probation. DWI Surveillance Details are assembled to target offenders deemed at risk for repeated offenses. The Details were conducted with the goal of enforcing conditions of probation prohibiting unlicensed operation of a motor vehicle and the consumption of alcohol. In 2014, 9 DWI Surveillance Details conducted surveillance on 281 offenders. During these Details, 17 offenders were found to be in violation of their order and conditions of probation.

During office visits, Probation Officers conduct walking surveillances of probationers to see if they have driven to the building. Probationers are monitored at their homes, jobs, and other locations in the community during the day and night, weekdays and weekends.

Random Alco-sensor tests are routinely conducted during office and home visits on all probationers but especially those deemed to be a risk for potential alcohol abuse. Alco-sensor tests enable officers to confirm the absence or presence of alcohol and, if appropriate, to quickly intervene through either a Violation of Probation and/or suitable treatment alternatives. Urine-screen tests are also conducted in the office to detect the use of marijuana, cocaine, amphetamines, benzodiazepines, and morphine-based drugs. Early detection and expedient intervention further protects the community and enhances public safety.

The Office of Probation and Community Corrections is committed to continuing surveillance of high-risk probationers convicted of DWI offenses. The Office remains highly motivated to pursue the mission of ensuring public safety through vigorous supervision of sentenced offenders, particularly those sentenced to probation for DWI offenses.

DISTRICT ATTORNEY'S OFFICE

The Monroe County District Attorney's Office was provided with \$107,860 in 2014 by the STOP-DWI Program for the prosecution services of DWI Assistant District Attorneys.

Felony Case Activity for 2014 was categorized by the District Attorney's Office as follows:

- 992 Felony Arrests
- 114 Felony cases accepted by Pre-Trial Diversion Program
- 878 Cases kept for felony review (includes 19 defendants that failed, declined to participate, failed to complete or later withdrew voluntarily from the Pre-Trial Diversion Program)
- 329 Misdemeanor Dispositions: Includes plea offers made on felony cases after successful participation in the Pre-Trial Diversion Program, as well as misdemeanors due to no prior felony conviction
- 115[#] Pre-Trial Favorable Termination: Number of defendants successfully completing the Pre-Trial-Diversion Program during the year.

[#]Number includes carryover from 2013

PRE-TRIAL SERVICES CORPORATION

PRE-TRIAL FELONY DWI DIVERSION

Felony DWI Diversion is a deferred prosecution program whereby all criminal proceedings are delayed while the client engages in a planned treatment program. The client is monitored in the treatment program over a six- to eight-month period. Participation is voluntary and clients must agree to immediately surrender their driver's license upon entering the program and pay a program fee, if financially able. Clients are screened through the District Attorney's DWI Bureau before referral to the Diversion program.

Successful completion of Felony DWI Diversion is based on the client's ability to demonstrate significant attitudinal and behavioral change, and results in an offer to plead to a misdemeanor in satisfaction of the felony charge. If the client fails to follow through on the treatment plan and the Diversion contract requirements, the case is returned to court for prosecution. Diversion is offered only once.

Pre-Trial Felony DWI Diversion received \$50,254 in STOP-DWI funds in 2014. One hundred-fourteen cases were seen for intake in 2014. One hundred-fourteen cases or 85% of all terminations were closed successfully in the year.

Pre-Trial Services is committed to providing effective intervention with multiple DWI offenders and will continue to measure the long-term outcomes for the Felony DWI Diversion Program.

WEEKEND DWI SENTENCE PROGRAM AT PRE-TRIAL SERVICES

Structured to provide a sentencing option for those convicted of DWI, the Weekend Sentence program offers an intervention-focused approach. Those sentenced to this program attend structured classes from Friday night through Sunday afternoon, addressing important issues such as alcohol abuse, personal responsibility, and reducing risk-taking behaviors. Judges sentence offenders for a specific number of weekends. Clients are required to pay fees to help support the program. Both attendance and client progress are monitored closely by the staff and reported back to the court.

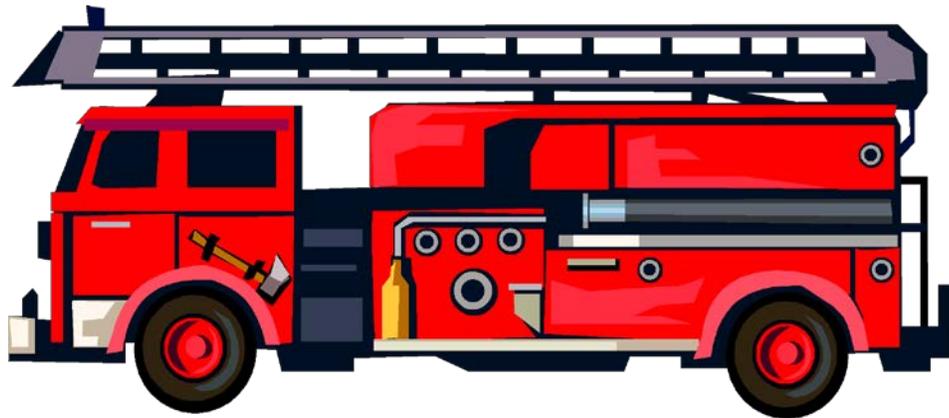

During 2014, 157 clients were sentenced to the program. Of those who completed within the year, 93% did so successfully. The average number of weekends spent in the program was six.

STOP-DWI funds supplied \$97,553 to support this sentencing option in 2014.

FIGURE 1
Monroe County 2013
Licensed Drivers, Impaired Drivers Involved in Alcohol-Related Fatal and Personal Injury Crashes, and Drivers Arrested for Impaired Driving by Age Group

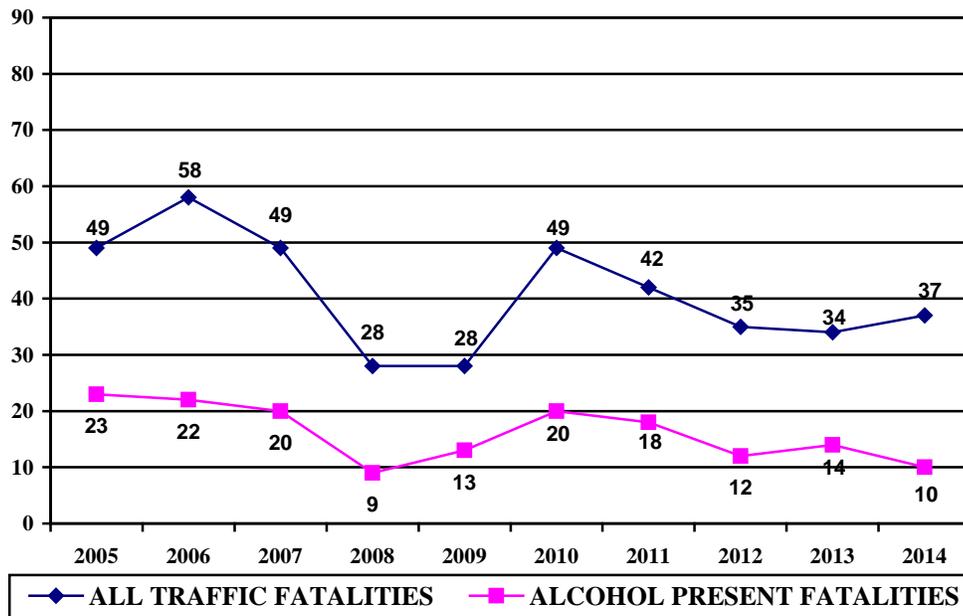

Note: In interpreting these data, any age group with a greater percentage of impaired drivers involved in A-R fatal and personal injury crashes than licensed drivers indicates that the drivers in that age group are overrepresented in A-R fatal and personal injury crashes. Similarly, any age group with a greater percentage of drivers arrested for impaired driving than licensed drivers indicates that drivers in that age group are overrepresented in alcohol-related arrests.
