RE: Industrial Sewer Use Permit – Initial

Dear Sir or Madam:

Enclosed is an application for an Initial Industrial Sewer Use Permit. Be advised the Industrial Sewer Use Permit is a legal document. Please provide all requested information accurately. Any name or address changes will require a new Initial Sewer Use Permit application. An officer of the company, identified as a responsible official must sign the permit or appoint a duly authorized representative. The letter of appointment must be included with the permit package. The renewal will become effective upon the expiration date of your present permit and be in effect for three (3) years.

Monroe County Pure Waters, under Section 57 of the Worker's Compensation Law and Section 220 - Subdivision 8 of the Disability Benefits Law, is required to have on file proof your company has workers compensation and disability benefits for your employees. A form from your insurance carrier stating such coverage will thus be required before your permit can be processed.

A check for the initial permit fee of \$125.00 should be made payable to the Director of Finance, County of Monroe. All copies of the application, the form from your insurance carrier, and the check should be mailed to:

Monroe County Department of Environmental Services
Industrial Waste Control
145 Paul Road, Bldg. 1
Rochester, New York 14624

If you have any questions regarding the permit, please call Industrial Waste Control at (585) 753-7600, Option 4.

INITIAL INDUSTRIAL SEWER USE PERMIT

County of Monroe Pure Waters District No. _____ Permit No: _____

Expires: _____

Fee: \$125.00

Firm Name _____

Address _____

Type of Business or Service _____

I. The above-named applicant is permitted to discharge wastes into the Monroe County Pure Waters Sewer system or Tributary thereto as applied for by an application dated _____ and verified by the applicant except the Director of Environmental Services requires the following terms and conditions to govern the permitted discharge:

- A. _____
- B. _____
- C. _____

II. The applicant further agrees to:

1. Accept and abide by all provisions of the Sewer Use Law of Monroe County and of all pertinent rules or regulations now in force or shall be adopted in the future.
2. Notify the Director of Environmental Services in writing of any revision to the plant sewer system or any change in industrial wastes discharge to the public sewers listed in Exhibit "B". The latter encompasses either (1) an increase or decrease in average daily volume or strength of wastes listed in Exhibit "B" or (2) new wastes that were not listed in Exhibit "B".
3. Furnish the Director of Environmental Services upon request any additional information related to the installation or use of sewer or drain for which this permit is sought.
4. Operate and maintain any waste pretreatment facilities, as may be required as a condition of the acceptance into the public sewer of the industrial wastes involved, in an efficient manner at all times, and at no expense to the County.
5. Cooperate with the Director of Environmental Services or his representatives in their inspecting, sampling, and study of wastes, or the facilities provided for pretreatment.
6. Notify the Director of Environmental Services immediately of any accident, negligence, breakdown of pretreatment equipment, or other occurrence that occasions discharge to the public sewers of any wastes or process waters not covered by this permit.
