Tips for better results:

1. Provide as much detail as possible. Exact dates are helpful - especially the year. Parents' names help us know if we have the right record.

2. DEATH RECORDS:

- Before 1899 - If City of Rochester death, need to know place of burial.
- 1899 - 1968 - If decedent did not pass in City of Rochester, must provide town they passed in.
- Please reference our Genealogy Records and Resources information sheet on www.monroecounty.gov prior to ordering as it pertains to the recording dates.
- A "transcript" will be issued for all events occurring prior to 1928.
- An "image" can be obtained from the NYSDOH in Albany.
