SEASONAL FARMER'S MARKET PERMIT

Monroe County is now offering a temporary seasonal permit for use during local Farmer's Markets. As per statute, temporary permits cannot exceed 14 consecutive days. Therefore, this permit is **ONLY** valid during Farmer's Market days and hours. It does NOT include other functions that take place at that site, outside of market hours. The seasonal fee is \$170.00 per booth for EACH Farmer's Market site. Please use the Seasonal Farmer's Market permit application.
