Fatherhood Connection

North Star Rites of Passage, LLC

Dress for Success

Did you know that children who miss school at a young age run a high risk of failing or dropping out when they reach high school? Once students have missed too many days, they may have a difficult time reconnecting with school work.

Job Readiness
Training Program

Do You Have School Age Children and Are You Ready for Something New?

The Rochester Works

Parent Job Readiness Training Program
may be what you're looking for!

Do you want to learn Job Readiness Training topics including resume writing, job search tips and appropriate workplace behavior as well as learn about Banking, Credit and Debt Management? What about learning new and culturally relevant parenting tactics? Learn about child development, the importance of school attendance and strategies for getting your children to school every day.

In addition to traditional Job Readiness Training activities like Resume Preparation, Interview Skills and Interest Inventory, you will learn other skills that are vital to you and your children's success!

- goal setting,
- problem solving
- life planning
- types of parenting styles
- effective praise
- child development milestones
- building a strong financial future
- credit reports
- credit scores
- banking
- self-awareness
- perseverance

Day Care and Transportation will be provided to all participants registered through Monroe County Department of Human Services.

The program runs daily from 12:30 until 4:30 pm. for 4 weeks

Job Placement services will be provided throughout the program.

This program is designed to provide the information and assistance you need to help you and your children achieve outcomes that can **break** the cycle of poverty.
