

Protecting, Growing and Analyzing New York State's Urban Forests

Mission of the NYS Urban Forestry Council

New York State's Urban Forestry Council is a partnership of public, private and volunteer organizations and individuals that fosters comprehensive planning, management and education throughout New York to create a healthy urban and community forest, and to enhance quality of life.

Western Finger Lakes ReLeaf is part of a statewide program managed by the New York State Department of Environmental Conservation, Bureau of Private Land Services. Funding is provided by the Urban and Community Forestry Program. Volunteer members of Western Finger Lakes ReLeaf include interested citizens, forestry professionals, representatives of environmental non-profits and government officials.
