Great News!
We are installing a pond for your canine friend to play in!

Rii rove it!

It was always part of the Dog Park plan to have a pond in the Sweden Dog Park. But we ran out of time last fall to get it built. It will be pretty big about 40 x 70 ft. and it will be approximately 18" deep. We will be able to drain and fill it with fresh water on occasion. It will be great fun for your dog that loves to play in water. It will not be chlorinated or filtered like a swimming pool.
